

GLOBECOMM SYSTEMS, INC.
Compliance Assurance Statement

Reference: (Order No.) _____	If Customer Is Not the Intended End User Provide End User Information:
Customer: _____	End User: _____
Address: _____ _____	Address: _____ _____

It is the policy of Globecomm Systems, Inc. ("Globecomm") to verify the end use and end user in all product sales intended for export, to ensure compliance with applicable U.S. export control laws and regulations. Please confirm the following:

We understand that:

1. Equipment, software and technology that we obtain from Globecomm is subject to the jurisdiction of US export control laws and regulations, which include the Export Administration Regulation (EAR), International Traffic in Arms Regulations (ITAR), The Bureau of Customs and Border protection (CBP) and Office of Foreign Assets Control (OFAC).
2. Customer does not engage in any activities relating to the design, development, production, stockpiling, or use of weapons of mass destruction, including but not limited to nuclear explosive devices, missiles, or chemical or biological weapons. Furthermore, Customer does not intend to use, resell, or divert the purchased products for such end uses.
3. Re-export or re-transfer of Globecomm Equipment to other countries or parties may require a US export license or other approval; and
4. The U.S. Foreign Corrupt Practices Act and similar anti-corruption and anti-bribery laws in other countries generally prohibit making, promising, or offering payments or gifts to government officials to obtain or retain business or to secure any improper business advantage.

We certify and agree that:

1. Customer hereby agrees that it will comply with all applicable customs and export control laws and regulations of the United States;
2. Globecomm Equipment will not be transferred in violation of any US export control law, including by making any sales, exports, transfers or re-exports of Globecomm Equipment to the US embargoed countries of North Korea, Iran, Cuba, Sudan, and Syria or to other restricted destinations or parties;
3. Globecomm Equipment will not be used in, or for any nuclear, chemical, biological weapons or applications; and
4. In connection with any transfer of Globecomm Equipment, we will not offer or make any payments or provide anything of value to a government official to influence an official action that awards business, retains business or secures an improper business advantage.
5. Customer confirms that it is not subject to any export denial or debarment order issued by the U.S. Government and that it is not named on any prohibited parties list maintained by the U.S. Government.
